# A PARTNERSHIP FOR ACADEMIC ACHIEVEMENT

Utilizing the Madison Club Charitable Foundation, the 501 (c)(3) arm of the Madison Club, the Madison Club's members have pledged a multi-year effort to support local initiatives that bridge the achievement gap in

our area schools. The Madison Club Charitable Foundation's board of directors selected 100 Black Men of Madison's Project SOAR to receive the proceeds of this year's annual Charity Gala.

Since its inception in 1994, the 100 Black Men of Madison has organized African American professional and community leaders in Dane county around making a positive difference in the lives of area youth - especially African American males - through mentoring, education, health and wellness, and economic development programs.

By attending or supporting this year's Charity Gala, you can help enroll more than 300 local young people in Project SOAR.

## WHAT IS PROJECT SOAR?

Project SOAR (Student Opportunities, Access and Readiness) is a comprehensive program created to lower truancy rates and raise high school graduation rates amongst African-American male students between the ages of 12 and 17 who attend a middle school or high school in the Madison Metropolitan School District. The program involves one-on-one mentoring, career exploration, and cultivating discussion on a number of social issues. By the time the students complete the program, they will gain a positive self-perception, identify SMART (Specific, Measurable, Attainable, Realistic, Timely) career goals, and develop skills to influence others.

100 BLACK MEN OF MADISON WHILE BRIDGING THE ACHIEVEMENT GAP IN MADISON

*"The 100 Black Men of Madison are humbled by this amazing endorsement of our mission (to positively impact the youth of our Community) by the Madison Club Foundation. We view this opportunity as a means to achieve the mutually beneficial outcomes of youth self-worth and self-efficacy."*

- Floyd Rose, President of 100 Black Men
